Miami Lakes Comprehensive Plan

Miami Lakes, Florida

Visioning Process

- First Comprehensive Plan for 23,000 residential community in north Miami-Dade County.
- 2 workshops with community residents focusing on future land use, growth, traffic, recreation & open space, and community design.
- One workshop held on a week night, while the other was held on a weekend morning to help ensure maximum participation.
- Residents provided feedback regarding each issue.
- Feedback from these workshops, along with subsequent workshops addressing parks and the land development code, were used in writing the Town's Comprehensive Plan.
