

MIAMI LAKES PARKS VISIONING PROGRAM MIAMI LAKES, FLORIDA

Visioning Process:

- Miami Lakes is noted for its park system, including its unique passive “pocket” parks.
- 3 workshops with community residents focusing on different park topics.
- Topics included park & recreation need, and the master plans for the Town’s 2 largest parks.
- Workshops held at different times and different locations to ensure full participation of community.
- Residents split into “break-out” groups to discuss topic, prioritize need, and draft conceptual park plans.
- Consensus on need and park designs reached through open discussion and individual voting.
- Visioning process used to create final master plans for Royal Oaks Neighborhood Park and Miami Lakes Park.

Completion Date June 2003
Population 22,676 (2000 Census)
